Recreational Classes 2017-2018 Information and Registration Form

Dear Dance Student, Parent/Guardian, or Friend,

WELCOME (OR WELCOME BACK) TO PROPELLER DANCE!

We are so pleased to have you be a part of the Propeller Dance community through our classes! Below you will find important information, so please read carefully.

Please note: All students must submit a completed Registration Form at the first class of the season, even if you have already filled out one before.

Bring the Registration Form along with your payment for the semester to your first class.
If enrolling more than one student, please complete a separate form for each student.

You can keep these first two pages for your own information.

If you have any questions, please do not hesitate to reach out.

Class information and expectations

1. The safety and well-being of each student is essential. **Please communicate with the teacher or our co-directors about how we can make the experience as positive as possible.**
2. Each class has one or more co-teachers or dance partner specialists. This person is there to ensure a safe and effective learning environment and assist in facilitating a positive dance experience.
3. **Please arrive to class approximately 15 minutes before start time so you have enough time to take off outdoor clothing and footwear and get settled in.**
4. We ask that you inform the teacher as far in advance as possible if you will be absent from class.
5. Classes can be done in bare feet, clean indoor soft-soled running shoes, or ballet type slippers. No slippery-soled shoes, no socks.
6. Students are required to attend class in clean clothes in good repair. Personal hygiene is important. Please be respectful of others you are dancing with.
7. **On rainy, slushy, or snowy days, please bring a cloth to wipe down your wheelchair wheels.** (You can ask a dance partner specialist to help you!)
8. **Propeller staff or volunteers will not be able to toilet students or change students if soiled.** Students will be accompanied to the outside door of the bathroom, and staff will wait for them outside as needed.
9. **If additional support is required, we welcome you to arrange for a care person to accompany you or the student.** The support person will be asked either to participate as an equal student in the dance class or to wait outside the studio until their assistance is needed if they choose not to dance. **There is no cost for the support person to attend or participate.**
10. Subsidies are available on an honour system for those in need. Please talk to your teacher.

Class Fees

Class fees are due at the first class of each season. Classes rates for the 2017-2018 season will remain the same as last year – \$12 per class (company classes, a great professional development opportunity open to dancers by invitation, are \$15 per class). If you have need, subsidies may be available as our funding permits, but please note that we cannot guarantee that one will be available to you. You can speak directly to your teacher.

Recitals and Events

Our Community Day for all and Annual General Meeting for members takes place each December. It is usually an informal and fun showing of our term, and it is the only time all of our students from each program (children, youth, and adults) come together to meet, share, celebrate, and dance.

Mark your calendar! This year's Community Day will be held at the Glebe Community Centre on the afternoon of Sunday, December 3rd, 2017 at 1:00 PM, followed by our AGM at 3:00 PM.

About Propeller Dance

- Propeller Dance is Ontario's only integrated dance company for people with and without disability. We celebrate all forms of diversity, and value unique expressions in art making.
- Propeller Dance was founded in 2007 by Alan Shain and co-directors Renata Soutter and Shara Weaver.
